Submission System Still Open

Great news! There's still time to submit an abstract for the 29th International Congress of Applied Psychology (ICAP).

The ICAP 2018 submission system will remain open until **23:59 EST on December 15, 2017**. Both submissions that are currently incomplete in the system and new submissions will be accepted. This is, however, your last opportunity to submit an abstract, as the system will close on December 16.

Les [propositions de présentation en français](#) seront aussi acceptées au plus tard le 15 décembre 2017 à 23 h 59 HNE.

The review process has begun for abstracts that have already been submitted. Notification of accepted submissions will be sent out beginning February 2018. Poster submissions may receive notification beginning in January 2018.

Please note that the submission of an abstract does not constitute registration for the congress. It does, however, imply a commitment that the presenting author will attend the meeting and has financial resources to do so.

For further information about the congress, please visit the [official congress website](#), and follow us on [Twitter](#), [Facebook](#), and [LinkedIn](#).

We look forward to welcoming you to Montréal!
