The ICAP 2018 program will include presentations in a [number of different formats](#). Submissions from all fields of psychology applications and backgrounds will be accepted. **Submissions are due by 23:59 EST on December 1, 2017.**

Le congrès 2018 aura aussi un programme francophone, donc nous acceptons des [propositions de présentation en français](#).

Abstracts will be assigned for review as of December 2, 2017. Notification of accepted submissions will be sent out beginning February 2018. Poster submissions may receive notification beginning in January 2018.

Please note that the submission of an abstract does not constitute registration for the congress. It does, however, imply a commitment that the presenting author will attend the meeting and has financial resources to do so.

For further information about the congress, please visit the [official congress website](#) and follow us on [Twitter](#), [Facebook](#), and [LinkedIn](#).

We look forward to welcoming you to Montréal!
