Travel & Accommodations

Accommodations

We are pleased to offer you access to special room rates at various price points at our 13 different [official congress hotels](#). You can make your reservation while registering on-line through the [official ICAP2018 registration website](#). The congress is book-ended by two major holidays in Québec, so hotels in the city of Montréal will be very busy. Be sure to book soon to avoid disappointment.

Currency

The monetary system in Canada is based on dollars and cents. Foreign currencies may be readily exchanged at banks, your hotel front desk or at currency exchange bureaus located throughout the city. Bank debit or credit cards are the most convenient means of getting cash at the many 24-hour automated banking machines (ATMs). Many businesses will accept U.S. currency and traveler's cheques, and almost all businesses will accept major credit cards (Visa, Master Card, American Express).

Talk the Talk

Want to speak as the locals do? Here are some key words and phrases to try out...

Aujourd'hui Today	Demain Tomorrow
Hier Yesterday	Ce soir Tonight
